

S. 2022
[Senator Tunney]
H. R. 9699
[Rep. Abzug]

Purpose: Provides increased employment opportunities by executive agencies for personnel unable to work standard working hours.

Comment:

Provides increasing scale whereby within 5 years 10% of all positions in all executive agencies are to be made available on a flexible hours employment basis for persons who cannot or do not desire to work full time. The Secretary of Labor is to establish a program to assist executive agencies in carrying out this policy. Each agency is to report quarterly to the Secretary on implementation of their programs and the Secretary is to report annually to the Congress on the overall implementation.

Position:

Referred to Deputy Director of Personnel and [REDACTED] DDM&S staff for their review. They will formulate position if bill becomes active.
